

JWGWINE CLUB

Enjoy fine wines from around the world! Each month we will hand select two wines for you to enjoy. We make selections that will introduce you to new labels, new categories, and new wines from around the world.

Sign up for as long as you like. You may pick up your two new wines between the 1st and the 15th of that month. Your wine will be charged to the credit card you choose. We do accept local checks but require payment in full when paying by check.

We offer 3, 6 and 12 month memberships.

You will never be billed for more than the monthly rate. Most months will be below the maximum for each category.

Wine Club membership includes:
Two new wines each month (Red & White)
Information sheets on each wine
A monthly recipe to complement your wine
Invitations to Wine Club Member Tastings
Monthly newsletters via e-mail
